

DS 30, Budapest 08

Client

Valencia Investments (Spain)

Description

2,700 sqm residential development in an urban regeneration block belonging to a heritage-protected area. Location: Diószeghy Sámuel Street 30, Budapest 08.

Added Value

The building faces a major park. Terraces and views are maximized towards the green area. The facade is designed to give the building a contemporary character.

2008-09
